Defense Security Thailand

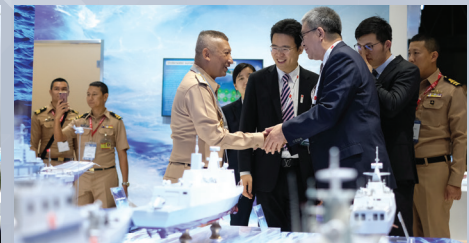

#DefenseThailand

EXHIBITOR PROFILES

Featuring a full display of defense and internal security equipment, including weapons systems, guns, missiles, tanks, UAV's, transport vehicles, vessels, satellites, telecoms and a wide range of electronic defense technology. Manufacturers of fire control systems, launchers and other important military systems and hardware will also be present. A full display of equipment ranging from security products such as CCTV, intruder alarms, access and electronic security, personal handguns, body armor, riot control equipment, protective gloves, night-vision technology, communication jamming devices and many other cutting-edge products from major manufacturers will also be showcased at the show.

VISITOR PROFILES

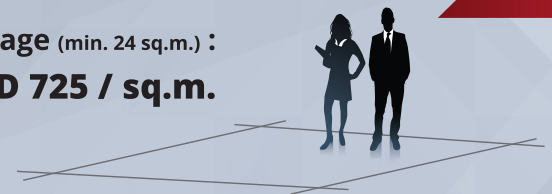

The show will be open to professionals in the defense and security industry only but is not open to the public. Admission is free to officials and personnel from the Ministry of Defence, Ministry of Interior, Armed Forces, Customs & Immigration plus defense & security related areas on an international basis.
