Tri-Service Asian Defense & Security Exhibition,  
Conference and Networking Event

# EMPOWERING REGIONAL DEFENSE AND SECURITY

## 8-11 NOVEMBER 2027

IMPACT, Muang Thong Thani, THAILAND

Defense & Security 2027 will be held at IMPACT Convention and Exhibition Center, with convenient access via the expressway network and the MRT Pink Line. The venue is just 30 minutes from central Bangkok, 45 minutes from Suvarnabhumi Airport, and located next to the Armed Forces Supreme Command Headquarters—making it an ideal location for the event.

## Power of Partnership

🌐 [asiandefense.com](http://asiandefense.com)

✉ [info@asiandefense.com](mailto:info@asiandefense.com)

f Defense and Security 2027

in Defense Security Thailand

Defense & Security 2027 is organized by GML Exhibition (Thailand) Co., Ltd., 304 Vanit Place Aree, 16<sup>th</sup> Floor, Unit 1601, Phaholyothin Road, Samsennai, Phayathai, Bangkok 10400, Thailand

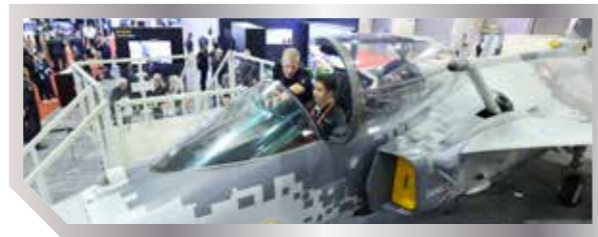

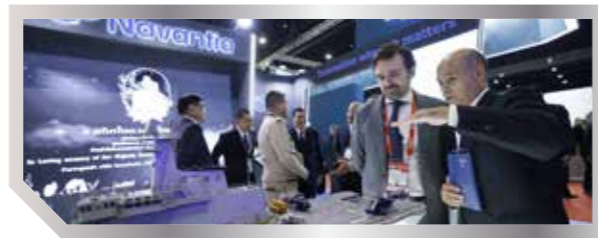

# Defense & Security 2025

## Capturing Opportunities in Thailand's Defense Sector

-  One of the world's fastest-growing defense markets: ASEAN accelerating military modernization
-  **\$5.7 billion** Thailand Ministry of Defence budget (FY2026)
-  **\$989 million** Major procurement programs for the Royal Thai Armed Forces (ongoing & new acquisitions)
-  Modernization focus: **Air, Land, Sea, Cyber & Intelligence** capabilities
-  Strong emphasis on technology transfer, **local industry development & international collaboration**
-  Defense Industrial Zone – Eastern Economic Corridor (EEC) initiative
-  Sustained funding and long-term commitment to modernization & self-reliance
-  Strong growth opportunities for defense & security companies in Southeast Asia

## Defense & Security 2027: A Global Platform for Defense and Security Collaboration

Join Defense & Security 2027 is the **13<sup>th</sup> edition** of ASEAN's leading tri-service defense and internal security exhibition, held biennially in Bangkok. Under the theme **"The Power of Partnership"** it brings together global defense stakeholders to showcase innovations, connect with key decision-makers, and build long-term strategic partnerships across the region.

### Power of Partnership

## Defense & Security 2027 HIGHLIGHT

-  Endorsed by the Thai Ministry of Defence & the Royal Thai Armed Forces
-  **680 exhibitor** companies – including **28** major national pavilions
-  **350 delegates** & key decision-makers from **35** countries (Ministers of Defence & Chiefs of Armed Forces)
-  **20+ years** track record as a trusted ASEAN defense business platform
-  Internationally recognized business & networking platform
-  **25+ major** international seminars, conferences & demonstrations led by global experts and leading defense companies

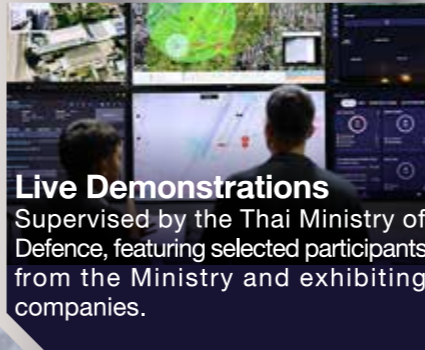

## 5 GUIDE BY CORE CONCEPT

**Static Display**  
A platform for exhibitors to showcase a wide range of defense and security equipment.

**Technical Presentations and Special Seminars**  
Curated sessions, primarily for delegates invited by the Thai Ministry of Defence, covering key industry topics.

**Live Demonstrations**  
Supervised by the Thai Ministry of Defence, featuring selected participants from the Ministry and exhibiting companies.

**Networking Opportunities**  
Including the Opening Ceremony, executive functions, VIP tours, G2G and B2G meetings.

**Business Matching**  
Connecting defense manufacturers with qualified part makers to support subcontracting and partnership opportunities.

# UNLOCKING OPPORTUNITIES FOR SUBCONTRACTORS IN THE DEFENSE INDUSTRY

Defense & Security is committed to supporting the local defense industry through the Defense Subcontracting Pavilion, which attracts key buyers and partners each edition. Leading part makers showcase high-quality components, driving a successful business matching program with strong positive feedback from participants.

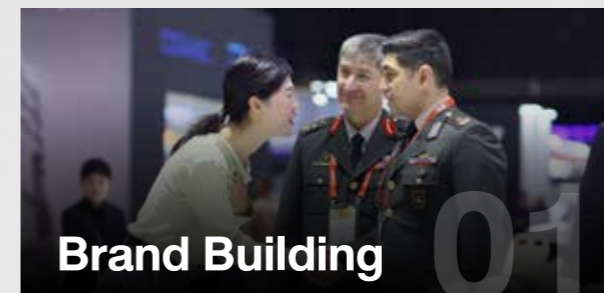

Recognized as a global subcontracting hub, Thailand offers advanced manufacturing capabilities. Defense & Security serves as a strategic platform connecting buyers and part makers, playing a key role in advancing the Thai defense industry.

## ADVANCING THE FUTURE DRONES, CYBERSECURITY, SPACE WARFARE TECH

The military has long driven technological innovation, and rapid advancements are reshaping today's defense and security landscape. Emerging technologies such as drones, cybersecurity, and space capabilities are redefining operational boundaries, particularly within the region. Defense & Security 2027 will highlight these cutting-edge innovations throughout the exhibition.

## TOP 5 ACHIEVED EXHIBITOR OBJECTIVES

## POST-SHOW HIGHLIGHTS

### SUCCESSFUL OPPORTUNITIES

Defense & Security 2025 effectively provided exceptional opportunities for participants to network, share knowledge, conduct business, and establish long-term associations at various levels. Some of the networking opportunities included VIP tours of the exhibition, government-to-government (G2G) and government-to-business (G2B) meetings with exhibitors, business networking functions, technical presentations, seminars, and more!

### 12<sup>th</sup> Edition

-  **617** Exhibitor from **38** countries
-  **25** International Pavillions
-  **289** Delegations of **45** Groups from **27** countries
-  **27,864** Visitors from **85** countries

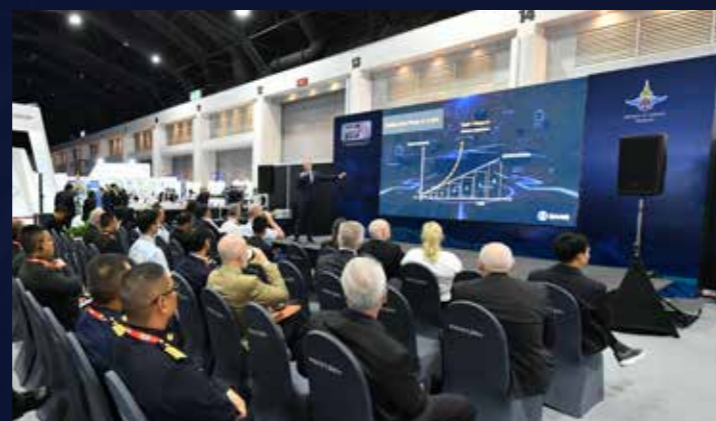

### Attendees by INDUSTRY

Defence Industry	12.8%
Armed Forces	12.2%
Manufacturer	10.7%
Ministry of Defence	9.0%
